What You Should Know:

- The audio lectures are downloadable via a google drive shared link
- The lectures are in a zip file totaling 4.9 GB. Due to the file size google cannot scan for viruses (100MB Limit). THE FILE IS 100% SAFE. Your computer or phone has built in anti-virus that would detect anything. Again, the files are 100% safe.
- Due to WordPress 1GB total file limit, the audio lectures must be downloaded separately.
- All audio files are MP3 format. This is compatible with any computer or phone.
- Download files to computer or phone or keep them on google drive or other cloud services.
- Once again, there are 122 audio lectures that are compatible with any listening device.

*Note: these lectures are decades old, some are higher quality than others, some start mid-way through sentences, some have blank space at the beginning. Nothing beats real raw recordings of Neville Goddard.
